

## **PROPHETIC MESSAGE FROM CORNELIS VAN HEYNINGEN**

---

The logo and vision are based on Mal. 4:2 "But for you who revere My name, the sun of righteousness will rise, with healing in it's wings. And you will go out and leap like calves released from a stall."

The sun of righteousness will rise over everyone who calls on the Name of the Lord and who walks in the fear of the Lord because of the healings and deliverance in His Name. Isaiah says (Is. 60:1) "Arise shine for your light has come and the glory of the Lord is risen upon you."

The presence of God is the sun of righteousness that will rise over us. We understand that God is not the physical sun, but rather that where we learn to know God through His creation, we are reminded that (Is. 60:20) "Your sun will never set again and your moon will wane no more; the Lord will be your everlasting light and your days of sorrow will end. "In Ps. 84:12 David says: "Oh Lord almighty, blessed is the man who trusts in You." And Jeremiah talks about "The Lord our Righteousness" in Jer. 33:16.

Rather than standing in our own enlightening, righteousness and honour, we should rather stand in the enlightening and presence of "The Lord our Righteousness", that He will shine on us.

- Only then can healing flow through our Music, Drama, Dance and Art to other.
- Only then can we reach out into the creativity of God to proclaim freedom in Him through Music, Drama, Dance and Art.
- Only then can we skip with joy like calves led from a stall to enjoy Music, Drama, Dance and Art as God originally planned for his children.

Let us then walk prophetically in Music, Drama, Dance and Art and let the "True Light" shine more clearly in and over us.

"The true light that gives light to every man, was coming into the world.... He came to that which was His own, but His own did not receive Him, so those who believed in His Name, He gave the right to become children of God." (Jn.1:9, 11, 12)

## **PROPHETIC WORDS SPOKEN OVER CREARE**

---

### DAD'S PLACE MY HOME MINISTRIES

- Team ministry
- Establish little things all over the place – release people all over the place. You will see many signs and wonders take place
- God says decisions will be made for you that maybe you don't like, but the Lord says as you submit to these decisions, submit to even higher authority, says the Sprit of God
- David of this hour that goes to many places and the Lord says even times and cities even continents will be set alight
- This is a launch pad
- A lot of you will not be here for a very long time
- Be disciplined
- And the quiver is more than full because the Lord puts the arrows in the quiver and He's been putting them in faster than you've been shooting them out. Start shooting some out there.
- Let it influence even the Church leaders, let it influence even those who believe in the God that they called their Lord. Let there be anew strength of reconciliation, a new strength of love.
- As you keep humble and as you keep a contrite heart before Me says God, many will be birthed for the Lord.
- Know I am doing it for a purpose says the Lord that My strength and my anointing may grow stronger in you says the Spirit of God.

### CREARE BLOEMFONTEIN

- Creare Bloemfontein: will be a good and strong base; good admin and infrastructure will be developed; intercession teams will be established

### NATIONS / MISSIONS

- Deal with the 'strong men' before you deal with the people
- Spiritual warfare – coming against the powers of darkness over areas and even countries, you must do that before you can minister to people, then you shall see even My anointing flow as you never thought possible
- International establishment of Creare all over the world in 1998-2000
- Creare will spread abroad and is being raised up quickly
- Albania and Greece are countries to be reached in the future
- People that you will begin to raise and people that you will begin to equip will get into Madagascar
- That even into different regions up in the north of South Africa, there's going to be many, many teams that are going to go up; many open doors are going to be given to you.

### THE TEAM

1997

I see my brother is soaring very high in the Spirit – I see you fly in a flock – at the same time you will all fly together and fellowship together. The Lord says you will ALL begin to play a part

### A PROPHETIC FOUNDATION

I see the nature of the Training Centre is going to change. The nature of the Creative School is going to change. God is adding the prophetic dimension to override all other dimension. There is a change coming in the Creare Training Centre. There is a change that is coming in the way the Centre is going to be run, in the way the Centre is going to be designed, the way the Centre is going to be giving its training and its equipping. A lot of the material is going to become more and more prophetic, so that it will ultimately evolve to become a strong prophetic Centre.

2001

The way the Training Centre is going to be giving its training and equipping.

A lot of the material is going to become more and more prophetic, so that it will ultimately evolve to become a strong prophetic school.

## MULTIMEDIA

### Dr Jonathan David - April 2005

Because I am raising up a new generation. They will rise in business, they will rise in education. They will rise in every field; they will rise in the multimedia industry, they will become journalists, they will begin to rise.

They will be reporters, they will rise even in the film industry. They will begin to rise in all kinds of ways; you will see men like Daniel whose hearts are pure and they will begin to rise, and they will begin to reveal to the earth a purity that the world has not seen before. And they will say: who is this coming on the horizon?

### Pst Solomon Ocampo

There will be 5 films that will be made. This is just the beginning, no less than 5 films. One of your productions will make it through the Cannes.

Let there be a breakthrough in the things God has imparted for you even for the films that you would want to come forth. I prophecy a breakthrough. I prophecy not only success in the natural, but there will be a breakthrough in the spirit.

Let there be a new voice to come forth even if you made it the title "Blood Speaks". Let the true blood speak of reconciliation. Let there be a new voice to come forth in the life that God has given unto you.

I see people holding camera's behind, on their shoulders and giving and delivering to you. I see rolls of films and boxes and boxes of rolls of films being handed over to you.

## DANCE

- Experiment and being creative in praise and worship.
- Laying hands on men and women dancers imparting liberty in the spirit.

## MUSIC

- Dominion praise ... aggressive praise
- Bring creativity in worship and in music

### 1996

Songs will be exported.

When you sing warfare starts to take place.

### 1997

Bring creativity in worship and music.

God is going to restore some things that the enemy has stolen from the church and the musical realm - don't be fearful to experiment.

### Billy Mitchell - 1999

God says many musicians will come and link up with you and the Lord says: Yes you shall make and do many, many CD's. Not one or two but the Lord even says it shall not be in one language either, says the Spirit of the Lord.
